

WATER EXERCISE CLASSES

Water Exercise is increasing in popularity among the fit and not-so-fit due to its low-impact, yet high resistance nature. Water exercise is a great cardiovascular exercise as well as strengthener and works all parts of the body including the core.

CLASS DESCRIPTIONS

ARTHRITIS - A water exercise program designed for persons with arthritis. Water exercise is especially good for people with arthritis since it can help relieve strain on muscles and joints.

WATER WALKING - One of the most low-impact, yet resistant form of exercise. Non-instructed, walk at your own pace.

MULTI-LEVEL: Classes listed below offer a variety of ways to get toned and in shape. Classes may be predominantly strength and toning or predominantly conditioning, but many contain both

AQUA EXERCISE - Increase strength, flexibility, and aerobic capacity in the water.

AQUA DANCE - It combines rhythm and dance steps with a pool. It offers a fun but challenging, water-based, body-toning workout.

ADDITIONAL POOL INFORMATION

Safety Breaks -

Insurance mandated for patron safety to allow guards to stay vigilant during shifts. Patrons will exit water for 5 min period to give lifeguard a break.

Swim Policy -

Children under the age of 8 must be accompanied by an adult IN the water if they do not pass the swim test. Children age 12 and under must be swim tested and pass in order to not wear a lifejacket. Child must have a wristband from front desk to show that they have passed the swim test.

Swim Test -

Swim tests will be administered daily Monday-Friday at 4pm for the first 5 to 10 min, Saturday 12pm to 2pm, and Sunday 1pm to 3pm. Non school days during the week we will also have swim tests from 2pm to 4pm.
